<b>How does each age level engage with God's Word?</b>			
<p>Adults will gather to <b>Listen in Community</b> as they dig into God's Word and explore what the Bible says about the session topic, watch a thought-provoking video, and pause to <b>Listen to God</b> as they reflect individually. To achieve deeper engagement during the week, <b>Listen on Your Own</b> offers five personal devotions for self-guided study of God's Word.</p>	<p>Focusing on a discovery approach to learning, Youth sessions <b>Engage</b> in God's Word through fun activities and an inspiring video. Then students will <b>Consider</b> what God is saying in selected Bible passages, <b>Reflect</b> on the main themes, and <b>Activate</b> what they've learned in their faith journey. <b>Listen on Your Own</b> offers four personal devotions for self-guided study of God's Word.</p>	<p>Unlike adult and youth, kids' components can be used together or in two separate ministry opportunities. <b>Large Group</b> wraps the Bible story presentation with fun videos. Kids worship and respond as they listen to God. <b>Small Group</b> time digs into the Bible passage with guided discussion, games, and active learning.</p>	<p>Preschoolers start with <b>Preservice Activities</b> to launch Bible learning. <b>Large Group</b> time centers around fun videos where Lizzy and her grandpa invite kids to engage with Bible stories and learn the Faith Verse. Kids will love finding the hidden clues that reinforce the story! <b>Small Group</b> circles are packed with hands-on learning, games, creative activities, and more.</p>
